

21st March 2017

Cyber Safety

Cyber Safe Ireland (*who conducted an online safety workshop with 4th, 5th & 6th Class in September*) will be conducting a

Parent Talk 'keeping your children safe online' next week on Thursday 30th March at 9am in the School Hall.

All parents are welcome.

If your child is in a senior class, we would strongly encourage you to attend.

Easter Holidays

St. Matthew's will be **closed from Monday 10th April - Friday 21st April** inclusive for the Easter Holidays.

(Usual home time arrangements will apply on Friday 7th April).

As we come into the summer months, please take a moment to familiarise yourself with the school's Dress Code. Please see attached.

Thank you!

Thank you to Ali Hill (*Junior Infant mum*) of Bold Bunny, for the fabulous design and artwork in our school lobby. We love it! Pop in to have a look if you haven't seen it yet!

Many thanks to Shane McCarthy (*4th Class dad*) for the wonderful photographs he took last week. Parents will have an opportunity to order these in the coming weeks.

PTA Date for your Diary

As construction on the school hall extension is due to commence during the Easter Holidays, it seems that this year's **Easter Hop Disco** will be a great chance to bid farewell to our old hall, this **will take place on Friday 7th April** during school hours. The children love this chance to cut loose, but we'll try to make sure that the demolition work is left to the building contractors!

As always, none of these activities would be possible without the participation of an enthusiastic PTA and the support of the school and the families therein. Thanks for your continuing participation.

Olga Keogh, PTA Chair

HSE Vaccinations for Junior Infants

Junior Infant Vaccinations will take place on Thursday 25th May in school.

St. Matthew's National School, Cranfield Place, Sandymount, Dublin 4, Ireland

DRESS CODE

AIMS OF POLICY

- To ensure that all children can access the whole curriculum fully in a safe and equal manner
- To ensure clarity regarding what is appropriate clothing, footwear, make-up and jewellery for school
- To promote a sense of pride and to build self esteem
- To ensure a neat, well-groomed appearance
- To maintain and enhance a positive image of the school
- To promote equality amongst all pupils
- To ensure that students are safely dressed for school activities and the environment.

RATIONALE

St. Matthew's N.S. does not have a uniform for day-to-day school wear. The ethos of the school encourages us to respect the individuality of all members of our school community. Clothing, footwear, make-up and jewellery are often seen as the outward expressions of our individual selves. While respecting the rights of the individual, the school must also be aware of many other issues, such as health and safety, full access to the whole curriculum and complete interaction between the various partners in education. The school must also be aware that certain items of clothing, footwear, jewellery and make-up may be either provocative or offensive to some members of the community or may be inappropriate for the age and development of the individual involved.

GUIDELINES

We request that all parents and guardians ensure that the clothing worn to school by their children complies with the following guidelines:

- Clothing should be appropriate to an environment shared by children of primary school age. For example, cropped/belly/bikini tops, off the shoulder tops, halter necks or spaghetti straps are not suitable school wear.
- Shorts/dresses/skirts must be of suitable length (at least mid way to the knee).
- Children should wear clothing that fits comfortably, neither too big or too tight.
- Hoods and hats should not be worn in the classroom. Caps should not be brought to school.
- Clothing worn to school should always allow pupils to play actively and safely in the yard. Physical exertion at break times is an integral part of the school day and a student's mode of dress should not inhibit them from fully participating in normal childhood games; items such as very wide/very long trousers and shoes/boots with elevated heels should not be worn. Flip-flops are particularly unsafe and should not be worn. Heeleys are never allowed in school. Shoe laces must be securely tied at all times. This is a health and safety matter.
- Make up and false nails are not to be worn to school.

- Children with hair longer than shoulder length must have their hair tied back with a suitable hair accessory. This is for the health and safety of children during class lessons and during PE. It is also a measure put in place to prevent the spread of head lice in the school.
- Hair dye is not tolerated.
- The wearing of slogans which could cause offence to other members of the school community, must be avoided.
- Children must wear appropriate footwear and sportswear on a day when they have timetabled PE sessions.
- The wearing of jewellery is discouraged. Earrings, if worn, must be kept small.
- All children should come to school suitably dressed for the prevailing weather conditions.

It is strongly recommended that all items, especially coats, hats, gloves and scarves etc are marked with the student's name. Displaced clothes will be placed in 'lost property' and will be sent to an appropriate charity if unclaimed at the end of each term.
