

## 2016 School Calendar – A Different Theme Every Month!

Calendar photos are being taken next Thursday, 1<sup>st</sup> October at school. As usual, children will be photographed in their birthday month.

Rather than spelling out each month this year, we hope that each child will come to school dressed in a theme representing their birthday month. The themes are listed below.

Please note your child's birthday month's theme and simply bring or wear items that fit into that theme. If you have a prop that might be just perfect for a theme, please give it to Mrs. Rousseau or speak to your PA Rep.

Thank you so much for your co-operation. Looking forward to a fabulous calendar!
